

KEY DETAILS FOR SAFE WORSHIP IN OUR SANCTUARY

6:00 PM & 10:45 AM SERVICE – NIXA CAMPUS

- West and South doors will be open.
- Nixa Preschool part the of building will be locked.
- Physical distancing will be in place in the entry to the church, the narthex and the Sanctuary. Please maintain 6 feet of social distancing when in the building.
- Please take all conversations outside to enjoy. The narthex is for entry and exit only.
- We would like people to start filling up the front of the sanctuary first to minimize expose of people walking past each other as they enter the sanctuary.
- You will be ushered out at the end of service starting with those in the back of the sanctuary exiting first.
- Collection Plates will be placed at the back of the Sanctuary – plates will not be passed.
- Nursery care will not be available.
- Masks are strongly recommended, but are not mandatory for attendance. [We have masks available if you do not have your own].

Communion

- Congregation will be ushered forward during the distribution time in family groups.
- Pastor will welcome you to one of the two communion stations, where you will be able to commune yourselves.
- After communing, please simply place your cup back on the tray, and leave your napkin/plate on the tray as well. We will clean up after you and you may return to your seat.
- Out of love and care for your neighbor, we are asking that you PLEASE wear a mask as you walk forward to receive communion, and as you return to your seat. All communion assistants will be masked during this time as well. If you do not have a mask with you, please inform the usher who will dismiss you, and he or she will provide you with one.
- If you require a gluten free wafer or grape juice, please inform your usher as well, and we will prepare it for you accordingly. Please also inform the Elder of how many in your party will be communing today. Children and non-communicants ARE invited to come forward with your family to the communion table for a verbal blessing from the pastor.

WE STRONGLY ENCOURAGE THOSE WHO ARE HIGH-RISK, WHO HAVE CHRONIC RESPIRATORY OR CARDIAC ISSUES, ANYONE WITH A FEVER OR WHO FEELS ILL, OR IF YOU HAVE RECENTLY TRAVELED TO A HIGH-RISK AREA TO PLEASE STAY HOME FOR YOUR SAFETY AS WELL AS THOSE AROUND YOU.

We also strongly encourage members who are not family to not violate the physical distancing requirements for the sake of others' preferences and health risk recommendations set by the county.
