

# The Second Commandment

---

\_\_\_\_\_  
Name

Watch the video entitled "The Second Commandment" and then answer the following questions as a family.

Why do you think people swear so often?

What are other ways to break this commandment besides swearing?

Why is this commandment important to God?

What does this commandment teach us about the importance of prayer?

# The Second Commandment

---

God used His Word to create and He has given His people the power of language as well. Our words can negatively tear others down, but they also have the power to lift others up. Most importantly, our words allow us to interact with God through prayer. Being a confident and consistent pray-er takes practice. Work with a different member of your family (both immediate or extended can help) to write out a prayer about the following subjects:

Subject: School

Family Member Assisting:

Subject: Health

Family Member Assisting:

Subject: Faith
