

Redeemer Shine Projects 2025

Nixa Campus Community Garden

Date and time TBD

We will be getting community garden beds ready for planting at Redeemer's Nixa campus. Crops harvested from these gardens are eventually donated to Least of These or to others in need.

If you sign up for this event, we will contact you for a date and time. Families and all ages welcome, as long as all children are accompanied by an adult.

Nixa Roadside Cleanup

Saturday, April 5 - 9am-11am

Help us pick up trash along Highway 14 in Nixa in order to help beautify our community. Meet us at the Nixa campus.

Must be at least 14 years old to participate. Please wear closed-toed shoes. Walking long distances and bending to pick up trash will be necessary.

Springfield Champion Park Cleanup

Saturday, April 5 - 9am-11am

Help make Champion Park and Sunset Parkway in Springfield a beautiful place by cleaning up trash in the park and along the road. Meet at the Springfield campus Fellowship hall at 8:45am.

All ages welcome, as long as children are supervised by an adult. Close-toed shoes and gloves are recommended.

Habitat for Humanity ReStore

Wednesday, April 9 – 1-4pm

The Habitat ReStore accepts donations of household items and building supplies and sells them to the public. In the last two years, Redeemer volunteers have helped clean up the outside of the property (leaves, trash); organized the household goods department; mixed paint; and sorted donated Christmas inventory to be stored until the holiday sale. We will help however they need us!

Volunteers must arrive 10 minutes prior to their scheduled shift for orientation. Volunteers must be at least 18 years old. This project is limited to 10 volunteers. If more want to serve, we may schedule an additional date.

Nixa Community Work Day

Saturday, April 12 - 8:30am-1pm

Join volunteers from several different Nixa congregations to help beautify The Gardens at Woodfield in Nixa. Meet at Aldersgate church in Nixa at 8:30am for devotions. We will then work all morning, and be served lunch at the work site at noon. Projects will include weeding, mulching, and general cleanup within the park.

Families and all ages welcome, as long as all children are accompanied by an adult. Wearing close-toed shoes or boots and work gloves is recommended.

Lakewood Assisted Living

Saturday, April 12 - Afternoon

Come and do some games, activities, and songs with residents at Lakewood Assisted Living in Springfield to brighten their day and wish them a Happy Easter!

All ages welcome, as long as children are accompanied by an adult. Time for this event is still being determined, but everyone will meet at the facility. It will be in the afternoon, and last for about 1.5 hours.

LSC House Workday

Saturday, April 26th - 9am-12p

Help us make the Lutheran Student Center house a more comfortable and inviting place to live for the college students who call the place home and gather there.

Volunteers must be high school age and up. Wearing close-toed shoes and work/paint clothing is recommended.
